A number of practical newspaper men have formed a company and will publish papers at Grinnell, Grove City, Cleveland and Colby. Experienced and old time newspaper men will be placed in charge at each point and the people of this part of the west may expect better papers, larger booms, and taller corn.

A special ticket can be bought in Kansas City for the K. P. Road to Oakley, (Cleveland) the new town on railroad south of Colby for \$10 the round trip. The regular fare is over \$11 one way. Time not limited for these special tickets. Passengers ask for special tickets to Cleveland or Oakley. It is only 22 miles to Colby by stage from Oakley.

A. L. Tomblin, cashier of the Standard, Mo. tank, passed through this city today on his way to Colby, Thomas county, Kan., where he and others have made arrangements to start a bank. Two years ago such an undertaking in that county would have needed only one and one half wagon loads of buffalo bones for capital stock, and now requiring less than \$25,000 will do. -Kansas City Journal.

An immigrant wagon, eastward bound bearing the legend printed in flaring letters upon its weather beaten cover, "Hurray for Kansas! Thomas county or bust! Been to Thomas county, and busted by G-d," afforded amusement for the boys Saturday. Probably three thousand immigrants have poured into Thomas county during the last six months and this is the first instance coming under our notice where one of them has taken pains or had occasion to advertise the fact that he was lacking in sand, judgment and stability. Some people might be fortunate enough to locate a quarter section in Paradise, but then again they would become dissatisfied and move out because the climate did not suit them. -Oberlin Herald.

The voters of Township 6, Thomas county, met pursuant to call, at R. T. Hemming's house, to take action in regard to building a school house. Mr. Ladd was selected as chairman of the meeting and Fred P. Greene was appointed Treasurer. It was decided by motion that we build a school house on section 29, town 6, range 35. The Treasurer reported the change of the subscriptions and in a short time raised quite a sum toward the amount needed. It shows a true spirit of progress when the people take the matter of schools into their own hands and not sit down and wait for county organization to provide them. Thomas county is bound to be at the front with good schools.

Frank P. Greene, Secretary.

Ed. Cat. - I verily believe this section is losing its reputation as a dry county. People are beginning to say it rains too much. I think we have only had fifteen fine showers in the past twelve days. Rather bad for building or camping out, but the homesteaders and preppers are coming in just the same. From six to ten new settlers have been passing here every day for the past week.

Theodore Hagan, one of our oldest settlers, has just completed a good house and stable on the southeast quarter of section 8. Henry Morris and family are occupying a new house on the southwest quarter of section 15. Mr. Moore is building on the southeast of 17. Tom Sturgeon and John Dolan each have a new house.

Mr. Black, in south east quarter of 11, range 35, is putting up a commodious stable.

Mr. Lewis, on southeast quarter 21, range 35 is building a substantial frame house 16x24, 2 stories, with 1 1/2 bath and wing 14x16, with a good cellar and stone foundation, which when complete will be one of the best, if not the best farm home in the county. Looks like he had faith in the future of western Kansas.

The above are only a few of the improvements we note in this immediate vicinity.

Will Stahl and wife have just returned from their visit to Nebraska.

Mr. Freeze and wife are also home again after a two months' absence.

Mr. Hoenning and wife have moved, but the Quickville Postoffice has not settled yet.
